Good Afternoon:

I started my week with one of those time of life things. With my two sisters and two brother-in-laws we moved Mom into an assisted living facility. She went from Little Falls back to Pierz where our family has always lived. Our great grandparents Franz and Anastasia farmed about 3 miles SE of Pierz, this is the place where I grew up. At age 92, Mom is not as good on her feet anymore with a recent fall an assisted living location will be good. She is good with the move.

Going from an apartment to a single room with a bathroom it doesn't allow for so many furnishings. The girls did a good job of scoping out her room to only take what can fit the space. Therefore, two thirds of the load we put on my skid-loader trailer I dropped off at Good Will on my way home. Myself and my sisters also don't need more furnishing since we are also at the time of down-sizing.

I have an update on the Free Case Club Appreciation Parties. Due to questions and comments, such as "Wish I had a bag....." we have made a change to this event.

If you don't have a bag already, you can now reserve for two with the requirement to purchase to take home a full case of wine that evening. We will of course include a case bag with that purchase for future parties.

The meal, wine, and music are all free. This prices at \$13.95/ person, two meals plus two = \$39.80 tax inclusive value free to you. Wow, \$40 free. Book now to donmillner@gmail.com
